Experience Peachtree City
from the seat of a golf cart!

Peachtree City is a master-planned city near the world's busiest airport, Hartsfield-Jackson Atlanta International Airport. In the late 1950s, developers created more than 100 miles of paved cart paths that would connect residents and visitors to shopping, dining, resort-styled hotel/conference centers, golf and other recreation. Bridges, tunnels and paths wind through natural settings of lakes, parks and playgrounds. The **multi-use path system** is also ideal for runners, walkers and cyclists. Hop on board one of Peachtree City's signature vehicles – a golf cart – to enjoy a host of activities, tree-lined roadways and scenic views that encourage guests to unwind and relax.

The **Peachtree City Convention & Visitors Bureau** can help map out your path to a great weekend getaway. From hotel accommodations to golf cart rental, we have you covered!

View **vintage aircraft** (and take a ride, too!) at the Commemorative Air Force Dixie Wing Museum, see **international touring acts** such as Huey Lewis, Foreigner and Gladys

Knight at a concert under the stars at **"the Fred" Amphitheater**, and stroll through the local farmers market. Enjoy Mastermind Escape Games, where live-action puzzles come to life.
