## Bus Tours Welcome!

### Bring your group to enjoy Peachtree City's:

- 8 hotels
- 50+ bus-friendly restaurants

Once your group arrives, the bulk of the city's amenities are accessible via our city's most prominent feature, the golf cart! Group members can rent golf carts and enjoy more than 100 miles of paved multi-use paths that wind through the city to popular dining, shopping and entertainment spots.

The paths are just one part of this one-of-a-kind offering. Created in the 1950s, Peachtree City is a master planned community which means, in addition to our strategically planned paths, we have ample greenspace, tree-lined roadways, three sparkling lakes, scenic views and a superb setting for relaxation.
